

# MAYFIELD TOWN

## Mayor's Corner

We just finished the Thanksgiving Holiday. We hope that you were able to spend time with family and friends. We also hope that everyone was able to return home safely. We had our family here and our grandkids sure enjoyed the pickleball courts. We have been keeping them open while the ground getting to the courts was dry. If we get a storm, we will need to lock them up until we can get the sidewalk poured so we can eliminate tracking mud onto the courts. Please check with Amanda at the town hall if you have any questions.

Many of you have put up your Christmas lights and spruced up your yards for the Christmas season. The town looks beautiful when the decorations are up and lit. We created a committee of volunteers to coordinate the Christmas activity. This has been scheduled on Thursday, December 22 this year. The committee has some wonderful activities planned. We selected this day for the celebration to allow everyone to spend Christmas eve with family and friends. We invite all to come and participate.

We hope that we can all make an extra effort to make this a special Christmas. Many of us remember the Christmases which were a little different and not as elaborate. We would ask that we all be considerate and observant of those who may need a little extra help this Christmas and winter. We hear of so many instances where many of you assist others and do not want anyone to know. I believe there are "angels" among us who will bless the lives of us all. Many of you are the "angels" who go about doing good and helping others with a hope and prayer in your hearts. May we all experience the spirit of Christmas, sharing our love for our neighbors. We wish you a Merry Christmas.

Mayor Steve Anderson

Mayfield Town Council: Aaron Peterson, Jake Dyreng, Mike Bennett, Jaden James
